The American Collegiate Rowing Association announces the addition of a men's and women's 2<sup>nd</sup> Varsity 4+ event to the 2015 regatta. A varsity 4+ entry will be required in order for a 2<sup>nd</sup> varsity 4+ entry to be accepted. ACRA continues to explore ways to improve the quality of the championship regatta and believes adding this event will expand racing opportunities for its membership this year and in the future.

The full list of available events will be published on RegattaCentral early in 2015.
